

Acts 2:38 can Save your Life and your Soul.

A woman had just returned to her home from an interesting evening of worship where her pastor had been going over the necessity of combating Satan with scripture, much in the same way Jesus had fended off the devil.

As she began locking her doors, she was startled by an intruder already in her home and making his way out the window. She had caught the man in the act of robbing her of the few valuables had and remembering her pastor's advice yelled: 'Stop! Acts 2:38!'

Granted, the verse didn't quite fit the crime "Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost." but not thinking of anything more appropriate she repeated the command with much more determination, 'Stop! Acts 2:38!'

The burglar stopped in his tracks, promising not to move if the woman would just Please call the law. The woman calmly called the police and explained the situation. Response was very quick and as the officer cuffed the man to take him in, he asked the burglar: 'Why did you just stand there? All the home owner did was yell a scripture verse at you.' "Scripture?" exclaimed the burglar. 'She said she had an ax and two 38s!'

On the other hand maybe the verse was quite appropriate - paraphrased 'In the name of Jesus Christ, turn around, be under submission to lessen your trespass, and receive the gift of Perfect Protection.'

Knowing scripture can save your life - in more ways than one!

Romans 6

¹²Let not sin therefore reign in your mortal body, that ye should obey it in the lusts thereof.

¹³Neither yield ye your members *as* instruments of unrighteousness unto sin: but yield yourselves unto God, as those that are alive from the dead, and your members *as* instruments of righteousness unto God. ¹⁴For sin shall not have dominion over you: for ye are not under the law, but under grace.

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
