

This cartoon drives home the whimsical attitude that we are free to do what we want without considering the cost.

The irony is that many Christians take that position every day. While prayer is necessary, we tend to think that is all we have to do. Some say a prayer then sit back and wait for God to do His work. Treating God like a vending machine, then unhappy if we got something else.

First, we miss the extreme cost of the one true God dying on a cross. Next, we miss the extreme cost of God's submission to living in flesh. Our extreme LOSS is not seeing God's example of putting feet to the message of 'Living The Sacrifice'.

Don't be content in praying for the battle,
At least be willing to carry supplies for those in the fight.
Put feet to your prayers and visit those in need.

Romans 8

⁹But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his.

¹⁰And if Christ *be* in you, the body *is* dead because of sin; but the Spirit *is* life because of righteousness. ¹¹But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you.

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
