

The children were lined up in the cafeteria of an elementary school for lunch. At the head of the table was a pile of apples. The teacher made a note, and posted on the apple tray:

'Take only ONE. God is watching.'

Moving further along the lunch line, at the other end of the table was a large pile of chocolate chip cookies.

A child had written a note,

'Take all you want. God is watching the apples....'

A teacher was giving a lesson on the circulation of the blood. Trying to make the matter clearer, she said, 'Now, class, if I stood on my head, the blood, as you know, would run into it, and I would turn red in the face.'

The class agreed.

'Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?'

A little fellow shouted, 'Cause your feet ain't empty.'

Romans 9

⁶Not as though the word of God hath taken none effect. For they *are* not all Israel, which are of Israel: ⁷Neither, because they are the seed of Abraham, *are they* all children: but, In Isaac shall thy seed be called. ⁸That is, They which are the children of the flesh, these *are* not the children of God: but the children of the promise are counted for the seed. ⁹For this *is* the word of promise, At this time will I come, and Sarah shall have a son. ¹⁰And not only *this*; but when Rebecca also had conceived by one, *even* by our father Isaac;

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
