

**Having cash flow problems?  
Consider this, maybe it's 'I' trouble.**

I'ware is just too expensive  
(communication)

I-pad, I-pod, I-phone, I-net service  
Texting, Tweeting, & Facing

Not to mention TV, Cable, Phone, Internet, .....

With all that socializing we should be good,, right?  
**WRONG !!**

All this socializing is generating 'Social' izing,  
where whatever we can 'talk' about becomes acceptable.  
(think about it)

There is so much time and money spent Social-izing,  
that we can't afford the time to spend with God.  
(a plan from Satan himself)

**Maybe.... If we could reverse the trend...**

**Put 'God First' and the 'I' trouble would go away**  
(money is not the problem, putting God last IS)

Remember when we could just talk – face to face?  
We solved problems instead of caused problems.

## Romans 11

<sup>7</sup>What then? Israel hath not obtained that which he seeketh for; but the election hath obtained it, and the rest were blinded <sup>8</sup>(According as it is written, God hath given them the spirit of slumber, eyes that they should not see, and ears that they should not hear;) unto this day. <sup>9</sup>And David saith, Let their table be made a snare, and a trap, and a stumblingblock, and a recompense unto them: <sup>10</sup>Let their eyes be darkened, that they may not see, and bow down their back alway. <sup>11</sup>I say then, Have they stumbled that they should fall? God forbid: but *rather* through their fall salvation *is come* unto the Gentiles, for to provoke them to jealousy.

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
