

Sometimes we should be asking Why, sometimes not...

Why do people order double cheeseburgers, large fries, and a diet coke?

Why do banks leave vault doors open
and then chain the pens to the counters?

Why do we leave cars worth thousands of dollars in our driveways
and put our useless junk in the garage?

Why the sun lightens our hair, but darkens our skin?

Why can't women put on mascara with their mouth closed?

Why don't you ever see the headline 'Psychic Wins Lottery'?

Why is it that doctors and attorneys call what they do 'practice'?

Why is lemon juice made with artificial flavoring,
and dish washing liquid made with real lemons?

Why isn't there mouse-flavored cat food?

Why didn't Noah swat those two mosquitoes?

Why do they sterilize the needle for lethal injections?

Why don't sheep shrink when it rains?

Why are they called apartments when they are all stuck together?
I think it should be a compartment complex.

Romans 13

¹Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. ²Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation. ³For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same:

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
