

DID YOU KNOW?

Fifty-two of the 55 founders of the Constitution were members of the established orthodox churches in the colonies.

Every session of Congress begins with a prayer by a paid preacher, whose salary has been paid by the taxpayer since 1777.

James Madison, the fourth president, known as 'The Father of Our Constitution' made the following statement: 'We have staked the whole of all our political institutions upon the capacity of mankind for self-government, upon the capacity of each and all of us to govern ourselves, to control ourselves, to sustain ourselves according to the Ten Commandments of God.'

There are Bible verses etched in stone all over the Federal Buildings and Monuments in Washington D.C.

All 50 states acknowledge God in their state constitutions

John Jay - First Chief Justice US Supreme Court:
"Providence has given to our people the choice of their rulers, and it is the duty as well as the privilege of our Christian nation to select and prefer Christians for their rulers."
