

Before listening to her young patient's heartbeats, a pediatric nurse at the hospital would often fit the stethoscope over their ears and allow them to listen.

One four-year-old boy was awed by the sound. The nurse asked him, "What do you suppose that is?" The child, a regular at Sunday School, answered, "Is that Jesus knocking?"

## 1 Corinthians 4

<sup>4</sup>For I know nothing by myself; yet am I not hereby justified: but he that judgeth me is the Lord. <sup>5</sup>Therefore judge nothing before the time, until the Lord come, who both will bring to light the hidden things of darkness, and will make manifest the counsels of the hearts: and then shall every man have praise of God. <sup>6</sup>And these things, brethren, I have in a figure transferred to myself and to Apollos for your sakes; that ye might learn in us not to think *of men* above that which is written, that no one of you be puffed up for one against another.

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
