

Is Your Hut on Fire?

One day, after scavenging for food, a stranded man on a lost island arrived home to find his little hut in flames, with smoke rolling up to the sky. He felt the worst had happened, and everything was lost.

He was stunned with disbelief, grief, and anger. He cried out, "God! How could you do this to me?"

Early the next day, he was awakened by the sound of a ship approaching the island! It had come to rescue him!

"How did you know I was here?," asked the weary man of his rescuers.

"We saw your smoke signal," they replied.

The Moral of This Story:

It's easy to get discouraged when things are going bad, but we shouldn't lose heart, because God is at work in our lives, even in the midst of our pain and suffering. Remember that the next time your little hut seems to be burning to the ground. It just may be a smoke signal that announces the Grace of God.

1 Corinthians 13

⁴ Charity suffereth long, and is kind; charity envieth not; charity vaunteth not itself, is not puffed up, ⁵ Doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil; ⁶ Rejoiceth not in iniquity, but rejoiceth in the truth; ⁷ Beareth all things, believeth all things, hopeth all things, endureth all things.

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
