

Another Kind of Veteran

The tattoo isn't still there because she wanted to remember, She wanted **YOU** to remember.

6 million Jews and 10s of million others received unspeakable torture and death by a sadistic military. The leadership of that military were tried and punished; the victims were all but forgotten.

Islamic nations say it never happened, in another generation the evidence will no longer be with us. Will you deny it too?

Isaiah 5

²⁰Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! ²¹Woe unto *them that are* wise in their own eyes, and prudent in their own sight! ²²Woe unto *them that are* mighty to drink wine, and men of strength to mingle strong drink: ²³Which justify the wicked for reward, and take away the righteousness of the righteous from him!

Might want to read the rest of the story, God won't be mocked.
