

Safest Place to be in 2015

1. Avoid riding in automobiles because they are responsible for 20% of all fatal accidents.
2. Do not stay home because 17% of all accidents occur in the home.
3. Avoid walking on streets or sidewalks because 14% of all accidents occur to pedestrians.
4. Avoid traveling by air, rail, or water because 16% of all accidents involve these forms of transportation.
5. Of the remaining 33%, 32% of all deaths occur in Hospitals. So, .. Above all else, Avoid hospitals.

But,.... You will be pleased to learn that only .001% Of all deaths occur in worship services in church, And these are usually related to previous physical disorders. Therefore, logic tells us that the safest place for you to be at any given point in time is at church!

...**And....Bible study is safe too.**

The percentage of deaths during Bible study is even less.

2 Corinthians 1

³Blessed *be* God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort;
⁴Who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God.
⁵For as the sufferings of Christ abound in us, so our consolation also aboundeth by Christ. ⁶And whether we be afflicted, *it is* for your consolation and salvation, which is effectual in the enduring of the same sufferings which we also suffer: or whether we be comforted, *it is* for your consolation and salvation.

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
