

## Some Actually Believe they can be As God

A group of university scientists approached a local pastor to tell him that God was no longer needed.

"We've created spaceships, supercomputers, almost life itself," the scientists said. "Human knowledge has advanced to the point that God Himself is obsolete."

The pastor listened politely, then said, "I'd like some proof of that. Can you create a human being, like God did with Adam?"

"Sure!" the scientists replied.  
They invited the pastor to their labs.

At the university, one group of scientists invited the pastor to join them as they prepared an operating table for the big moment. Soon, the other group appeared, carrying buckets of dirt from which to make a man.

"Hey, wait a minute," the pastor protested.  
"That's God's dirt. . .go make your own!"

## 2 Corinthians 1

<sup>19</sup>For the Son of God, Jesus Christ, who was preached among you by us, *even* by me and Silvanus and Timotheus, was not yea and nay, but in him was yea.

<sup>20</sup>For all the promises of God in him *are* yea, and in him Amen, unto the glory of God by us. <sup>21</sup>Now he which stablisheth us with you in Christ, and hath anointed us, *is* God; <sup>22</sup>Who hath also sealed us, and given the earnest of the Spirit in our hearts. <sup>23</sup>Moreover I call God for a record upon my soul, that to spare you I came not as yet unto Corinth. <sup>24</sup>Not for that we have dominion over your faith, but are helpers of your joy: for by faith ye stand.

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
