

Today Christians realize Jesus was God's eternal plan for saving sinful humanity. Jesus was not God's Plan B, Jesus is God's solution to your sin problem—and He has been forever.

## JESUS WAS NOT GOD'S PLAN B

It took thousands of years, both before and after the flood, for God's plan of Salvation to be presented to humanity.

WHY

It took thousands of years to set up the 'evidence' of Deity so that you and I would recognize it when we see it.  
(science makes excuses and lies to blind you to what they can't prove)

Thousands of years to advance man's understanding to accept Christ's simple solution to the most complex problem – sin.  
(politicians want you to think they are the solution)

And here we are two thousand years later, and so many still will not see God's plan of Salvation personally fulfilled.

WHY

It's not because of science and politicians ...  
It's because 'Christians' won't commit to the **Love of God**.  
The evidence is still here and the solution is still simple.

## 2 Corinthians 11

- 1 Would to God ye could bear with me a little in my folly: and indeed bear with me.
- 2 For I am jealous over you with godly jealousy: for I have espoused you to one husband, that I may present you as a chaste virgin to Christ.
- 3 But I fear, lest by any means, as the serpent beguiled Eve through his subtlety, so your minds should be corrupted from the simplicity that is in Christ.
- 4 For if he that cometh preacheth another Jesus, whom we have not preached, or if ye receive another spirit, which ye have not received, or another gospel, which ye have not accepted, ye might well bear with him.

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
