

## Another Kind of Veteran

The tattoo isn't still there because she wanted to remember, She wanted **YOU** to remember.

6 million Jews and 10s of million others received unspeakable torture and death by a sadistic military.

The leadership of that military were tried and punished; the victims were all but forgotten.

Islamic nations say it never happened, in another generation the evidence will no longer be with us. Will you deny it too?

## Galatians 3

(6) Even as Abraham believed God, and it was accounted to him for righteousness. (7) Know ye therefore that they which are of faith, the same are the children of Abraham. (8) And the scripture, foreseeing that God would justify the heathen through faith, preached before the gospel unto Abraham, *saying*, In thee shall all nations be blessed. (9) So then they which be of faith are blessed with faithful Abraham. (10) For as many as are of the works of the law are under the curse: for it is written, Cursed *is* every one that continueth not in all things which are written in the book of the law to do them. (11) But that no man is justified by the law in the sight of God, *it is* evident: for, The just shall live by faith.

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
