

Safest Place to be in 2016

1. Avoid riding in automobiles because they are responsible for 20% of all fatal accidents.
2. Do not stay home because 17% of all accidents occur in the home.
3. Avoid walking on streets or sidewalks because 14% of all accidents occur to pedestrians.
4. Avoid traveling by air, rail, or water because 16% of all accidents involve these forms of transportation.
5. Of the remaining 33%, 32% of all deaths occur in Hospitals. So, .. Above all else, Avoid hospitals.

But,.... You will be pleased to learn that only .001% Of all deaths occur in worship services in church, And these are usually related to previous physical disorders. Therefore, logic tells us that the safest place for you to be at any given point in time is at church!

...And....Bible study is safe too.

The percentage of deaths during Bible study is even less.

Galatians 5:13-16

- (13) For, brethren, ye have been called unto liberty; only *use* not liberty for an occasion to the flesh, but by love serve one another.
- (14) For all the law is fulfilled in one word, *even* in this; Thou shalt love thy neighbour as thyself.
- (15) But if ye bite and devour one another, take heed that ye be not consumed one of another.
- (16) *This* I say then, Walk in the Spirit, and ye shall not fulfil the lust of the flesh.

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
