

Your Country NEEDs Real Christians

No one can deny that a civilized society requires a stable moral foundation. And no one can deny that the most stable of foundations is based on belief in the Creator of our universe.

To artificially create a moral foundation on the opinions of man is not a foundation at all, but is a floating platform that can be manipulated to say killing is ok for whatever reason we choose, and life style is whatever we decide at the time. Rather than peace the result is always complete chaos and the reason for failure.

Only the foundation established by God has never changed. But that foundation is being ignored by even the Christians of today. Most Christians no longer support the Church of believers. Not only do they not regularly attend, they don't even tell others what God's foundation is about. When asked they quickly proclaim their knowledge of God but in the same breath alibi why they live the lifestyle they do. These have corrupted the view of Christ.

Real Christians follow Christ, not just on Sunday mornings, but all week long, 24/7.

Real Christians establish Law based on God's morality,
Real Christians Lead the society toward Christ and do not follow any crowd.

The real Question; **Are you a Real Christian?**

If you are, **only you, can God use to save America.**

Philippians 2:5-9 (KJV)

5 Let this mind be in you, which was also in Christ Jesus: 6 Who, being in the form of God, thought it not robbery to be equal with God: 7 But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men: 8 And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross. 9 Wherefore God also hath highly exalted him, and given him a name which is above every name:

The above verses are studied in detail on Sunday and Wednesday evenings. Ya'll come!
